

An Invitation to Join
THE FRIENDS OF THE ABINGTON PUBLIC LIBRARY

Now is the time for all Abington residents to join the FRIENDS. We appreciate the financial support you continue to give us through your annual membership. Your dues enable the Friends to sponsor programs for adults and children, including the Friends Book Discussion Group, Children's Story Hours and Summer Reading Programs. The Friends provide a rental collection of best-selling books, and in-library Book Sale, maintain a video and DVD collection and sponsor passes to the Children's Museum of Easton, the Kennedy Presidential Library, The Museum of Science, The Museum of Fine Arts, Roger Williams Zoo in Providence, R.I., and the Plimoth Plantation.

Now we need your ideas and participation to ensure the success of the Friends' role in the Abington Public Library. We meet several times a year and we welcome your presence at our meetings.
