¹ Due to reductions in the library budget and the recent resignation of the Children's Librarian, summer program offerings have been reduced by 35% from 2009.

This schedule is subject to change.

Events are limited to Abington residents. The **Sign Up** column indicates the day registration begins for that program. If this column says "None" registration is not required. Please register in person at the library. The **Limit** column indicates the number of children who can be accommodated on a first to arrive basis at events that do not require prior registration, or the number of children who may register for an activity or event.

Caregivers with questions, concerns, or special needs should contact the library at 781-982-2139 or ablib@ocln.org.

Performers and supplies for the Abington Public Library
Summer Reading Program, Get Your Green On,
are funded by outside sources.

Funding is generously provided by the Friends of the Library, the J.L. Bumpus Fund, and Lowe's Home Improvement of Abington. Graphics were provided by Colin A. Jaworski.

The Anderson Foundation Cultural Series generously funded "Alice in Wonderland" performed by the Hampstead Stage Company, and the musical performance by Little Groove.
