

We are offering curbside pickup starting Tuesday, May 26.

Place It!

Holds can be placed online at www.abingtonpl.org with your library card.

Requests for titles can be made at abpickup@ocln.org or by phone at 781-982-2139.

Delivery is not working yet so you are “limited” to titles that are here in the library.

Be patient!

We will call you when your items are ready! (Please ignore any system generated emails.)

Do not come for your items until we call you and tell you they are ready.

We are working through this process and no doubt will be tweaking as we go.

Park It!

Give us a call from the parking lot and we will place your items on a table outside the far door.

There will be a sign to mark the pick up spot.

Curbside needs to be contactless!

Please remain in your car until we are back in the building to pick up your items.

Here are the details:

- Curbside Pick-Up will take place Monday-Friday from 11:00 – 4:30 and Saturday from 10:30 – 1:00.
- Returned library materials will be quarantined on return to the library.
They will remain on your library card until we are able to check them in.
- Please do not worry about overdue fines. We do not charge fines and due dates have been extended until June 30.

When will the library re-open?

The library does not yet have a date to reopen.

We are as anxious as you, but are happy we can safely offer this service to our patrons.
