Chairman’s Report

-Nothing major going on tonight at Town Meeting that should impact the Library. The dedication of the print of Rosie Walls was very well attended and a nice tribute to Rosie. Deb has been notified that the Library will be receiving a donation in memory of Cracker and Joan Donovan. She will update the Board when she gets more information.

Special and Annual Town Meeting Articles and Budget

-The Library Budget is good as long as what is recommended is adopted. Sarah’s salary is fully funded and all the salaries have been adjusted for their raises.

Building

-The Energy Project is not going as smoothly as before. All the thermostats have been installed, but they are not connected to anything to control the heat or air conditioning. Deb is working to get someone in to get the project finished soon.

Library Director’s Report

-Whitman’s debt exclusion passed so the Whitman Public Library should be funded at their Town Meeting.

-The APL FY19 Budget is right where it should be.

Old Business

-Two hundred and ninety-six Freshman and Sophomores have visited the APL in the last few weeks. One hundred forty-eight cards have been issued. In the fall the APL staff will be visiting the Freshman class at the High School.
New Business

-The Summer Reading schedule is available. Summer Reading kickoff is June 18, 2019 at 2:00pm.
